Use 11576A for service. See list on 11576A for component parts information.

\* These parts different for early and late production and are not individually interchangeable.  
Early production had dial support with odometer window while late production had no window. Use following tabulation for parts required:

Part Name	Early	Late
Bridge	SB9-4	SB9-6
Light Shield	24398	24998
Odometer	24478	24546
Dial Support	24211	24944

See Manual Bulletin SP-12.
